## Location

The property is located in an established industrial area of Widnes providing frontage onto Queensway (A557), close to the Mersey Gateway and Silver Jubilee Bridges (A533).

The general location benefits from easy access on to the A562 expressway, providing a direct link to the M62/ M57 interchange to the North and Liverpool City Centre to the West.

Access to the M56 to the South has been greatly improved via the Mersey Gateway Bridge immediately to the East of the property. The property is situated close to the Mersey Multi-Modal Gateway (3MG). The highly successful 3MG is a unique piece of infrastructure with unrivalled features including access to UK deep sea ports via rail and road infrastructure.

The development is accessed via Earle Road through Venture Fields Leisure Park, however, benefits from planning permission for a new access immediately onto Queensway (A557) which is expected to be implemented soon.

## Description

A former manufacturing facility which extends to some 18 acres and which has been sub-divided to provide industrial accommodation along with a range of open storage compounds. These comprise a mixture of concrete and hard core surface compounds.

The site is fully secure with CCTV and 24/7 site security which monitors all traffic on and off the site.

Varying compound sizes are available with utilities/amenities available added to which the Landlord is willing to undertake surfacing/fencing works to suit subject to suitable terms.

## Services

Electricity & water can be provided to compounds if required. Shared WC facilities are available on site.

## Site Area

Various site compounds are available as below:

Compound	Ha	Ac
04	0.15	0.37
07	0.33	0.81
09	1.17	2.76
10	0.62	1.54

Please refer to the attached plan. Some compounds can be amalgamated or sub-divided to suit.

## Rating Assessment

The sites require reassessment.

## Planning

We understand that the development generally benefits from planning permission for general industrial purposes within Class E, B2 & B8 of the Town & Country Planning (Use Classes) Order 1987 (as amended).

Interested parties are recommended to make their own enquiries with the planning department at Halton Borough Council ([www.halton.gov.uk](http://www.halton.gov.uk)).

## Tenure

The compounds are available individually or combined for a term of years to be agreed.

## Asking Rental

Upon application subject to the compound and terms.

## Site Service Charge

A site service charge is levied by the Landlord to cover the cost of site security, common area maintenance & landscaping, common services. Electricity, water and insurance costs are charged separately.

Further details upon request.

## Photographs and Plans

Any photographs and indicative plans incorporated in these particulars are provided for identification purposes only and should not be relied upon.

## VAT

All rentals quoted are subject to VAT at the standard rate.

## Legal Costs

Each party to be responsible for their own professional costs incurred in this transaction.
